

NNLS - JOB FAIR / EMPLOYMENT OPPORTUNITIES

Overview: We make it a priority on all of our projects to provide employment opportunities to members of the community, wherever possible. D&T, and our subtrades, encourage motivated and qualified applicants to submit their resumes, as we are always looking to welcome long term employees to join our teams. All resumes can be submitted to D&T. If an applicant's experience / qualifications are better aligned with one of our subtrades, then we will pass along their information for further exposure and consideration.
